

# SAIKAT SAHA

## Software Engineer

+91-9100361825    saha.saikat8142061825@gmail.com    [Linkedin](#)    Kolkata

### SUMMARY

I am a motivated Computer Science student with hands-on experience in full-stack development and Web development. My work includes delivering a fake reviews detection system and a real-time price comparison platform. Proficient in Python, C, React, and Databases. I excel in collaboration and iterative product improvement, aiming to solve real-world problems with technology

### PROJECTS AND EXPERIENCE

#### Fake Reviews Detection using AI, ML, AND NLP

[Minor Project | 2025]

01/2025 - 04/2025

- Completed a detection system for fake reviews on e-commerce platforms using AI, ML, and NLP with Python to ship high-quality features reliably
- Designed and implemented a dataset analysis model using advanced NLP techniques to accurately identify and filter spam, fraudulent, and computer-generated reviews, significantly improving detection efficiency

#### Price Comparison Website

[Project | 2025]

01/2022 - 01/2025

- Working on a web application that compares prices across multiple platforms, leveraging product engineering principles to ensure seamless user experience
- Developing an efficient web scraping algorithms and integrated backend APIs to extract and process real-time product data, enhancing data accuracy and optimizing application performance.

#### Virtual Internship

National Internship Portal

10/2024 - 12/2024

Virtual Internship on Full Stack Developer

- Experienced working on web applications using Python, Django, HTML, CSS, JavaScript and Bootstrap, AJAX, ensuring responsive and user-friendly interfaces
- Managed databases using SQL and optimized workflows through efficient use of Git and version control svstems.

### EDUCATION

#### B.Tech

Kalinga Institute of Industrial Technology (KIIT-DU)

08/2022 - 01/1970    Bhubaneswar

#### Class 10th - Secondary School Examination

Navy Children School (CBSE)

07/2020 - 07/2020    Visakhapatnam

#### Class 12th - Senior School Certificate Examination

Navy Children School (CBSE)

07/2022 - 07/2022    Visakhapatnam

### LANGUAGES

#### English

Proficient

#### Hindi

Native

#### Bengali

Native

#### Odia

Intermediate

### TRAINING / CERTIFICATION

AWS Data Engineering Certification

AWS Cloud Certification

Course on Postman API

Student Development Program on SALESFORCE

### SKILLS

Python	AWS Cloud		Bootstrap	CSS
Django	Flask	Git	HTML	Agno AI
SQLite3	JavaScript		MongoDB	
REST API	NLP	Postman	GitHub	
Python	JSON	Visual Studio Code		
Reactjs	SQL	Nodejs	C	MySQL
NLP	Cursor	OpenCV		
Web development		Machine Learning		
Data Analytics		Data Structure and Algorithms		
Artificial Intelligence		Problem Solving		
Database Management System				

### KEY ACHIEVEMENTS

- Technological Innovation**  
Developed a fake reviews detection system and developing a real-time price comparison platform, demonstrating my ability to leverage technology to solve real-world problems
- Collaboration and Teamwork**  
Successfully collaborated with peers during my internship to enhance web application functionality using various technologies

### VOLUNTEERING

- Project Representative of National Service Scheme (NSS)**  
Active participant in National Service Scheme at University level, leading community service projects and initiatives
- National Cadet Corps (NCC)**  
Member of National Cadet Corps, demonstrating leadership, discipline, and commitment
